November 17, 2016 Work Session Notes

There were no corrections or additions to the minutes of the work session held on November 17, 2016; the minutes stand approved as presented.

Vehicle Abatement – 414 East 7th Street

The abandoned vehicles located at 414 East 7th Street have been removed so no action was needed.

Emergency Snow Routes Amendment

Greg Sund, Director of Public Works, stated Section 62-151 of the Municipal Code establishes certain streets as emergency snow routes within the City of Hays. During a Winter Storm Traffic Emergency as declared by the City Manager, it is unlawful to park a vehicle on any street designated as an emergency snow route.

When Ellis County Emergency Medical Services (EMS) was located at the 1009 Cody, the streets surrounding EMS were designated emergency snow routes. Now that EMS has moved into the new Ellis County Rural Fire/EMS Building at 1105 East 22nd Street, it is advisable to amend the emergency snow routes to reflect the change.

The City Attorney has prepared an ordinance amending Section 62-151 of the Municipal Code to include the addition of General Hays Road, from Cody Avenue to 22nd Street, and to remove two street segments; General Hays Road,

from Cody Avenue to Downing Avenue; and Downing Avenue, from General Hays Road to Vine Street.

Commissioners will be asked to adopt an ordinance amending Section 62-151 of the Municipal Code at the December 8, 2016 Commission meeting.
