ADOPT-A-SPOT PROGRAM

The Adopt-A-Spot program assists the City of Hays with making Hays a cleaner and more attractive place for all.

Program Guidelines:

- ◆ Participants are asked to pick up the specified area at least two (2) times a year.
- ◆ The City of Hays supplies the trash bags for the clean-up. Bags can be picked up at the Parks Department office between 8:00 a.m. – 4:00 p.m., Monday – Friday.
- ◆ The group must notify the Parks Department of what day they plan to do the pick-up.
- ◆ The group is asked to stack the full bags in an area out of the way, but visible from the street.
- ◆ The next business day after the clean-up, the Parks Department will go to the clean-up location and dispose of the bags.
- ◆ Any group, business, or organization interested in participating in this program should contact the Parks Department at aleiker@haysusa.com or (785) 628-7375 for location availability or submit this form to the City of Hays Parks Department, P.O. Box 490, Hays, KS 67601.
