Re: July 18, 2013 Work Session

Please find the attached agenda and supporting documentation for the July 18, 2013 Work Session.

Item 2 – Ordinance and Resolution to Authorize the Issuance of General Obligation Refunding and Improvement Bonds, Series 2013-A

Please refer to the attached information from Finance Director Kim Rupp regarding the G.O. Bond issuance. As you will note, the bond sale is not to take place until July 25, 2013. City staff will have more information at the work session on Thursday and will be prepared to share the results of the bond sale with the Commission at the July 25th regular meeting.

Item 3 – North Water Tower Interior Painting – Award of Bid

This item is self-explanatory.

Item 4 – Commission to Review 2nd Conservation Tier Letter

The City Commission will be asked to review the letter that will go out to all residential water customers regarding the second conservation tier. The letter had not been drafted at the time this packet was put together. Therefore, a draft of the letter will be emailed to you prior to the meeting for discussion and review at Thursday's work session.

Item 5 – Oil and Gas Lease – Hays Memorial Gardens City Cemetery

Please review the attached materials regarding the Oil and Gas Lease for Hays Memorial Gardens City Cemetery. City Attorney John Bird is not actually recommending leasing the property itself to drill; however, there could be some residual benefits if properties adjacent to Memorial Gardens are developed. He will explain in more detail at the work session on Thursday.

Item 6 – Staff Notification of Committee Attendance Requirements

Commissioner Schwaller would like to discuss with the City Commission the possibility of City staff sending letters out to board and committee members that do not meet the attendance criteria spelled out in the Commission's Committee Attendance Policy.

Item 7 – 2014 Budget Presentation

I will present the 2014 Budget to the Commission and be prepared to answer any questions.

RAG Addition Final Plat

The owners of the proposed RAG Addition have submitted a final plat for consideration. The proposed plat is a small area off of 22nd Street and General Hays Road which will contain five commercial lots for development.

The Commissioners will be requested to approve the final plat of the proposed RAG Addition at the July 11, 2013 Commission meeting.

Request for Rezoning (A-L to C-2) – Proposed Luecke Addition (Zoning Case #13-05)

The owners of the property located along and south of 41st St. east of Home Depot (Proposed Luecke Addition) have submitted a request to rezone a portion of the property from A-L (Agriculture District) to C-2 (General Commercial and Service District). A public hearing was conducted on June 17, 2013 at the regular meeting of the Planning Commission, and by vote of 8-0, a recommendation was made by the Planning Commission to the City Commission to approve the rezoning as requested by the applicant. This application is a revised application from what the City Commission originally heard at the May 23, 2013 Commission meeting that removes the tract of agricultural zoned property from the development.

Commissioners will be requested to approve the Ordinance rezoning the described property from A-L to C-2 at the July 11, 2013 Commission meeting.

**Reconsider Request for Rezoning (A-L to C-2) – Proposed Luecke Addition
(Zoning Case #13-01)**

The owners of the property located along and south of 41st St. east of Home Depot (Proposed Luecke Addition) have submitted a request to rezone a portion of the property from A-L (Agriculture District) to C-2 (General Commercial and Service District). A public hearing was conducted on April 15, 2013 at the regular meeting of the Planning Commission, and by vote of 7-0, a recommendation was made by the Planning Commission to the City Commission to approve the rezoning as requested. The City Commission sent the item back to the Planning Commission for further review based on concerns of the agricultural carve-out, and upon further review, the Planning Commission voted to deny the zoning request. The contributing factor in this new recommendation is the fact that the developer submitted a new zoning application which removes the agricultural carve-out adjacent to the commercial zoned area.

Commissioners will be requested to deny the rezoning request from A-L to C-2 based on the recommendation of staff and the Planning Commission at the July 11, 2013 Commission meeting.

**Reconsider Request for Rezoning (A-L to R-3) – Proposed Luecke Addition
(Zoning Case #13-02)**

The owners of the property located along and south of 41st St. east of Home Depot (Proposed Luecke Addition) have submitted a request to rezone a portion of the property from A-L (Agriculture District) to R-3 (Two-Family Dwelling District). A public hearing was conducted on April 15, 2013 at the regular meeting of the Planning Commission, and by vote of 7-0, a recommendation was made by the Planning Commission to the City Commission to approve the rezoning as requested. The City Commission sent the item back to the Planning Commission for further review based on concerns of the agricultural carve-out near the area of the commercial zoning request. Upon further review at the June 17, 2013 Planning Commission Meeting, the Planning Commission voted to still approve the zoning request. The contributing factor in this recommendation is

the fact that the developer submitted a new zoning application which removes the agricultural carve-out adjacent to the commercial zoned area.

Darrell Unrein, owner of Vernies Trux-N-Equipment, Inc., located at 655 East 41st St., voiced several concerns regarding this development.

The Commissioners will be requested to approve the Ordinance rezoning the described property from A-L to R-3 at the July 11, 2013 Commission meeting.

Replat of Lot 2, Block 9, Golden Belt 8th Addition – Engineering Services Agreement

Laverne W. Schumacher has petitioned the City for street, storm sewer, water, and sanitary sewer improvements to an area containing 24 lots within the Replat of Lot 2, Block 9, Golden Belt 8th Addition.

Ruder Engineering and Surveying, L.L.C. has prepared a contract for engineering services to include engineering design, contractor solicitation, construction engineering, and warranty inspection for an amount not to exceed \$15,300.

The Commissioners will be requested to approve the agreement at the July 11, 2013 Commission meeting.

Amended Economic Development Policy – Rural Housing Improvement District (RHID)

City Manager Toby Dougherty pointed out the changes to the Economic Development Policy. He stated that only developments containing a minimum of ten renter-occupied low income or income qualified units will be considered for RHID status, and the policy would be in place only as long as there is a local need for low income and income-qualified housing.

Ellis County Coalition for Economic Development Executive Director Aaron White presented information regarding the need for income-based housing in Hays. He stated there are over 150 on a waiting list for this type of housing and there are very few units available.

Lou Ann Kibbee of SKIL and Greg Thyfault of LINK also addressed the Commission regarding the need for housing for individuals with disabilities and victims of domestic violence.

Commissioner Steward agrees there is a need for additional low income housing, but does not feel this is the right approach and that it is not fair to put the tax burden on everyone else.

Commissioner Mellick stated no contractors have stepped up locally to fill the income-based need, and if needs aren't met, the city potentially could be forced to provide funds to alleviate the needs of individuals who are homeless.

Commissioners will be requested to approve the amended RHID policy at the July 11, 2013 Commission meeting.

Addendum to the FOP Union Contract

The City of Hays and the Fraternal Order of Police Lodge 48 Inc. have an agreement for fiscal year 2014 wages, and administration of the pay plan. The agreement states the City will provide members of the FOP bargaining unit with a 1% merit increase with the first payroll in 2014 and the City will continue the current pay ranges.

The Commissioners will be asked to authorize the Mayor, City Manager, and Police Chief to sign the 2014 Addendum to the 2013 thru 2015 Union Contract at the July 11, 2013 Commission meeting.

Staff Notification of Committee Attendance Requirements

This item was tabled to the July 18, 2013 Work Session due to the fact that Commissioner Schwaller requested the discussion and was not present.

Other Items for Discussion

Commissioner Musil would like to get more information out to the public explaining the new water rates.

Commissioner Steward would like a letter drafted to civic groups stating City staff and Commissioners are available to speak to them regarding water rates.

City Manager Toby Dougherty provided an update on the drought status.

The work session adjourned at 8:10 p.m.

Commission Work Session Agenda

Memo

From: Kim Rupp, Director of Finance

Work Session: July 18, 2013

Subject: Ordinance and Resolution to Authorize the Issuance of General Obligation Refunding and Improvement Bonds Series 2013-A

Person(s) Responsible: Kim Rupp, Director of Finance
Toby Dougherty, City Manager

Summary

At 11:00 a.m., on July 25, the City will take bids for the purchase of approximately \$1,255,000 of General Obligation Refunding and Improvement Bonds, Series 2013-A (the "Bonds"). Attached to this memo are drafts of an ordinance and resolution to be adopted by the Commission to authorize the issuance of the Bonds. Final versions of the ordinance and resolution, as well as final payment terms on the Bonds, will be made available by George K. Baum & Co., the City's Financial Advisor, and Gilmore & Bell, P.C., the City's Bond Counsel after the sale of the Bonds and before the Commission meeting. Staff recommends approval of both the ordinance and resolution for the General Obligation Refunding and Improvement Bonds, Series 2013-A.

Background

The Golden Belt 4th Addition and 46th Street 1st Addition improvement district projects are complete, the assessments have been levied, and the projects are ready to be financed. On June 13, 2013, the Commission approved Resolution No. 2013-014 authorizing the offering for sale of the Bonds.

A summary of the bonds to be issued for these projects is as follows:

<u>Project Description</u>	<u>Ord/Res No.</u>	<u>Authority</u>	<u>Principal Amount</u>
Golden Belt 4 th Addition	2011-019	K.S.A. 12-6a01 <i>et seq.</i>	\$476,117.88
46 th Street 1 st Addition	2011-002	K.S.A. 12-6a01 <i>et seq.</i>	106,969.03
<i>Total Bonds to be Issued:</i>			\$583,086.91

Prepayments of special assessments are due by July 16. Any prepayments received will be used to reduce the amount of Bonds issued.

In addition to financing project costs, the City expects to refinance the following general obligation bonds on September 1, 2013, and achieve interest cost savings for taxpayers:

<u>Series</u>	<u>Years</u>	<u>Refunded Amount</u>	<u>Average Rate</u>	<u>Final Maturity</u>
2002-A	2014 to 2022	\$655,000	4.897%	2022

Based on market conditions as of July 3, 2013, it is anticipated that the City could save approximately \$71,000 in future debt service payments by refunding the Series 2002-A Bonds. Bonds issued for refunding purposes will be structured to have final maturity dates identical to the Series 2002-A Bonds.

Discussion

A portion of the payments on the Bonds are expected to be made from special assessment revenues received by the City with respect to the two benefit district projects being financed with the Bonds. Interest payments on the Bonds begin on March 1, 2014 and the first principal payment will be due September 1, 2014.

The City will also be applying to Standard & Poor's for a rating on the Bonds. This will be the first time the City has received an underlying rating for a general obligation bond issue. Changing market conditions and investor preferences have led to the decision to seek the rating.

If the ordinance and resolution are approved, Staff will work with the Financial Advisor and Bond Counsel to complete all of the necessary steps to close the bond issue. Bond proceeds are expected to be available to the City on August 13, 2013.

Legal Consideration

There are no known legal obstacles to proceeding as recommended by City staff.

Financial Consideration

Final terms of the Bonds will be provided to the Commission following the sale at 11:00 a.m. on July 25. Below is a preliminary estimate of the financial terms of the Bonds.

Total bond issue will be approximately \$1,255,000.00.

The portion of the bonds issued to finance the improvement districts equal approximately \$583,000.00. These bonds will be paid from special assessment revenues received by the City as property owners within the improvement district pay their tax bills.

The portion of the bonds issued to refinance the Series 2002-A Bonds equals approximately \$668,000.00. At interest rates as of July 3, 2013, projected interest cost savings to the City is approximately \$71,000. These bonds are structured to have the same payment schedule as the Series 2002-A Bonds, with a final maturity in 2022.

Total cost of issuance is approximately \$26,000.00. This covers the paying agent, Kansas Attorney General, CUSIP service bureau, Bond Counsel, Financial Advisor, Bond Rating and Publication and Printing. More detail will be provided in a final sizing calculation document provided by George K Baum & Company after the sale on July 25.

All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or

(3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denomination and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer

for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. For the purpose of enabling the Purchaser to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), and the appropriate officers of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of such Rule.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or chief financial officer of the Issuer are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(3) and (4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Bonds. The sale of the Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, Bonds or portions thereof maturing on September 1, 2022 and thereafter, may be called for redemption and payment prior to their Stated Maturity on September 1, 2021 and thereafter as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

[Mandatory Redemption.] The [_____] Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The taxes levied in *Article IV* *Error! Reference source not found.* hereof which are to be deposited into the Debt Service Account shall be sufficient to redeem, and the Issuer shall redeem on September 1 in each year, the following principal amounts of such [_____] Term Bonds:

**Principal
Amount**
\$

Year

*

*Final Maturity

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.]

Section 302. Selection of Bonds to be Redeemed.

Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless,

become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. [The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.]

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar, the State Treasurer and the Purchaser. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed

notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Instructions. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest in part from special assessments levied upon the property benefited by the construction of the Improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal,

within the territorial limits of the Issuer. The balance of principal and interest on the bonds is payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes and/or assessments upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes and/or assessments referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes and/or assessments are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes and/or assessments are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following funds and accounts:

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: paying the costs of the Improvements, in accordance with the plans and specifications therefor approved by the governing body of the Issuer and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the governing body of the Issuer. Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Application of Moneys in the Redemption Fund. Moneys in the Redemption Fund shall be paid and transferred to the Refunded Bonds Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Bonds on the Refunded Bonds Redemption Date. The Clerk is authorized and instructed to provide appropriate notice of redemption in accordance with the Refunded Bonds Resolution authorizing the issuance of such Refunded Bonds. Any moneys remaining in the Redemption Fund not needed to retire the Refunded Bonds shall be transferred to the Debt Service Account.

Section 505. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 506. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.

(c) Notwithstanding any other provision of this Bond Resolution, including in particular *Error! Reference source not found.* hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 507. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

Section 508. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Bonds, shall be transferred to the Improvement Fund until completion of the Improvements and thereafter to the Issuer for deposit into the Debt Service Account.

Section 509. Redemption of Refunded Bonds. The Refunded Bonds are hereby called for redemption and payment prior to maturity on the Refunded Bonds Redemption Date. Said Bonds shall be redeemed in accordance with the respective Refunded Bonds Resolution by the payment of the principal thereof, together with the redemption premium and accrued interest thereon to such Refunded Bonds Redemption Date. The Clerk is hereby directed to cause notice of the call for redemption and payment of

said Refunded Bonds to be given in the manner provided in the Refunded Bonds Resolution. The officers of the Issuer and the Refunded Bonds Paying Agent are hereby authorized and directed to take such other action as may be necessary in order to effect the redemption and payment of said Refunded Bonds as herein provided.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined

adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with *Section 303*) of this Bond Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Instructions, which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any

number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1008. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

Memo

From: Kyle Sulzman, Assistant Utilities Director

Work Session: July 18, 2013

Subject: North Water Tower, Interior Painting - Award of Bid

Person(s) Responsible: Toby Dougherty, City Manager
Bernie Kitten, Director of Utilities

Summary

The 2013 budget included funds for sandblasting, painting and repairs to inside of the 500,000 gallon water tower. Budget allowed \$67,000 to contract this work. Bids were received on June 26th, staff recommends approval of the low bid with Utility Service Co., Inc., Perry GA at a cost of \$66,000.

Background

The 500,000 gallon water tower located on the corner of Roth and 55th street was constructed in 1995 to supply water to homes and businesses located north of I-70. This tower was cleaned and inspected in 2008 by Liquid Engineering Corporation. The report indicated there was blistering of the interior coating and recommended a recoat within the near future. AWWA (American Water Works Association) recommends every 15 years. The tank is now 18 years old.

Discussion

Bids were received from Seven (7) contractors, with the low bid coming from Utility Service Co., Inc., which is below our \$67,000 budgeted amount. The company indicated they can start in August. The project will take about 60 days.

Legal Consideration

There are no known legal obstacles to proceeding as recommended by City Staff.

Financial Consideration

The 2013 Budget included \$67,000 from the Water/Sewer Fund

Options

Options include the following:

1. Consider accepting the low bid from Utility Service Co., Inc., for \$66,000.
2. Provide alternate direction to City Staff.

Commission Work Session Agenda

Memo

From: Toby Dougherty, City Manager

Work Session: July 18, 2013

Subject: Oil and Gas Lease – Hays Memorial Gardens City Cemetery

**Person(s)
Responsible:** Toby Dougherty, City Manager

Summary

The City has been approached by David Barker requesting a "no drill" oil and gas lease on the Hays Memorial Gardens City Cemetery, offering a lease bonus of \$1,000 and a standard one-eighth royalty.

Background

David Barker has leased the land adjacent to the cemetery for oil and gas exploration. He would like to pool, or combine, the City Cemetery acreage with the other lease(s). He proposes that the lease be a "no drill" lease, meaning that there will be no operations whatsoever performed on the City property and the City would receive its proportionate amount of any production from the pooled acreage. The reason that Barker wants the City to lease its property is that it will allow him to site the well where his seismic data shows it would be best to drill and not be adversely affected by State regulations regarding proximity to non-leased property.

Discussion

The \$1,000 bonus (\$100 per acre) is significantly higher than the bonuses being paid on oil and gas leases in Ellis County. There is unlikely to be any interest in leasing from other oil companies since they do not have the land adjacent leased. Barker is the only individual or company who would be in a position to offer the City a lease.

Legal Consideration

There are no known legal obstacles to proceeding as recommended by City Staff.

Financial Consideration

There are no costs associated with the Oil and Gas Lease. The City would receive \$1,000.00 immediately, and if the drilling venture is successful, it could result in royalty payments proportionate to the City's ownership in the entire tract leased and developed.

Options

Options include the following:

1. Consider authorizing the Oil and Gas Lease as written and accept the \$1,000 bonus.
2. Provide alternate direction to the City Staff for re-negotiating the lease, its provisions and bonus.
3. Do nothing.

Recommendation

Staff recommends accepting the proposed Oil and Gas Lease and bonus payment.

Action Requested

Approve the Oil and Gas Lease proposed by David Barker.

Lessee may at any time execute and deliver to lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.

All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.

COMMITTEE ATTENDANCE POLICY	City Commission	1-1-95	

POLICY STATEMENT

It is the intent of the City Commission of Hays, Kansas to encourage citizens appointed to various committees to attend such meetings of various committees on a regular and ongoing basis throughout their appointment period. In order to insure that appointees to various committees meet with their commitments, the City Commission hereby adopts the following policy to be used to remove individuals from various committees that do not attend committee meetings on a regular basis.

Procedures:

- 1) City staff will keep track of the attendance of all committee members appointed by the City Commission using the recorded minutes of committee meetings as a guide.
- 2) City staff shall inform the Mayor regarding any committee members who are absent from 25% or more of the committee meetings held in a 12 month period.
- 3) Following the notification from City staff, the Mayor shall review the attendance record of the appointee and determine whether or not these absences were excused.
- 4) In the event the Mayor determines that the absences were unexcused, he/she shall present the same information to the City Commission at the next regularly scheduled meeting to determine if that committee member should be revoked of membership on the appropriate committee.
- 5) Following a vote from the City Commission, the committee member shall be removed from the appropriate committee, whereby, the Mayor would then be free to appoint another member in the committee member's absence.
- 6) This policy shall be enforced for all committee appointments, except those set forth and governed by State law, beginning January 1, 1995.
