

**Frontier Park West
Hwy 183 Bypass
West of Main**

TENT/CANOPY MAP

This map shows the approximate location where large tents, shade canopies, etc., that require stakes to be driven into the ground, can be set up in this park due to underground utilities. The exact location of this area is designated at the park by concrete/blue markers in the ground. The use of stakes in any location outside of this area is prohibited.
