

27th Street Reconstruction Public Service Announcement

Beginning Tuesday, May 31, 2022, the City's contractor will begin reconstructing the north side of 27th Street between Lincoln Drive and Fort Street. During this phase of construction, traffic will be switched onto the new pavement along the south side of 27th Street and will be one-way eastbound. This phase of construction is expected to take about two months. The map provided shows the section of 27th Street that will be under construction during this phase.

All this information and more can be found on the project webpage at haysusa.com or by contacting the Office of Project Management at 785 628-7350 or Paul-Wertenberger Construction at 785 625-8220.
